Andrew,

The fact sheets are attached. Amanda P created these, but I'll be updating them as things change.

Subject: PFAS Data Explorer Factsheets

Samantha,

Could you send us a copy of the PFAS data explorer fact sheets. We realize that they are being reviewed and might change. but we haven't seen them and want to ensure that users have what they need to understand each data layer either in the tool or in the fact sheet.

Thanks,
